

Notice:

As of twelfth of April prayers addressed to:

Avenger God

Mr God

God of the North but not of the South

Judge God

God, UK

God of the left but not of the right

God of the elite

Ablist God

Straight God

And other titles we add to the list as we uncover them

WILL NO LONGER BE FORWARDED

Have **you** been addressing the wrong God?

Address the envelope to a version of God that you have been believing in which it is time to flip the script on or discard

Think about how that has limited how you have interacted with God.

How has it served you?

Is there anything you want to say to God?

When you're ready put the envelope in the bin

Welcome to the Bureau of God

Mission Statement:

One human at a time we will  
enlarge your understanding of  
the unending grace and love of  
God

**Hold the front page**

**Can we flip the script of how we view the world, using the very words which are intended to highlight the negative, doom and gloom?**

**Help us make a representation of what we believe the world to be**
