SPACE BEARS

Be silent
Be still
Alone
Empty
Before your God
Say nothing
Ask nothing
Be silent
Be still
Let your God look upon you
That is all
She knows
She understands
She loves you with an enormous love
She only wants to look upon you with her love

A large, jagged iceberg floats in a dark blue ocean. The top of the iceberg is visible above the water, while a much larger, submerged portion is visible below the surface. The water is a deep, dark blue, and the sky is a lighter, hazy blue. The overall scene is a classic metaphor for hidden potential or grace.

GRACE

An iceberg floating in the ocean. The top part of the iceberg is above the waterline, and a much larger, jagged portion is submerged below the waterline. The water is a deep blue, and the sky is a lighter blue. The iceberg is the central focus of the image.

**what is below the waterline?
hidden, private, unquantifiable, hard to talk about?**

**what is above the waterline?
visible, measurable, graspable, public?**

**When we are together
we will remember what it is like to travel alone**

**When we are alone
we will remember what it is like to travel together**

FAITH

An iceberg floating in the ocean. The top part of the iceberg is above the waterline, and the bottom part is submerged. The water is a deep blue color, and the sky is a lighter blue. The iceberg is white and has a jagged, irregular shape. The waterline is clearly visible, separating the visible part of the iceberg from the submerged part.

**what is below the waterline?
hidden, private, unquantifiable, hard to talk about?**

**what is above the waterline?
visible, measurable, graspable, public?**

It is by grace you have been saved, through faith—
and this is not from yourselves, it is the gift of God—
not by works, so that no one can boast.

Ephesians 2:8-9

GOD

An iceberg floating in the ocean. The top part of the iceberg is above the waterline, while a much larger, jagged portion is submerged below the surface. The water is a deep blue, and the sky is a lighter blue. The iceberg's surface is textured and uneven.

**what is below the waterline?
hidden, private, unquantifiable, hard to talk about?**

**what is above the waterline?
visible, measurable, graspable, public?**

Have you journeyed to the springs of the sea
or walked in the recesses of the deep?
Have the gates of death been shown to you?
Have you seen the gates of the deepest darkness?
Have you comprehended the vast expanses
of the earth?
Tell me, if you know all this.

What is the way to the abode of light?
And where does darkness reside?
Can you take them to their places?
Do you know the paths to their dwellings?

God speaking to Job

A large, jagged iceberg floats in a dark blue ocean. The top of the iceberg is visible above the water, while a much larger, submerged portion is visible below the surface. The water is a deep, dark blue, and the sky is a lighter, clear blue. The iceberg's surface is textured with various ridges and crevasses.

welcome

to what you cannot see

to what you cannot control

to what you cannot put numbers to

to what you cannot ignore

to what you cannot hide from

it welcomes you

the invitation is open
the hand is extended
there is no time limit
the time is now

they welcome you

to hidden generosity
to gentle undercurrents
to subtle nourishment
to unspoken prayer
to inarticulate longing

we welcome you

welcome

to actions beyond words
to help without asking
to provision without measure
to hospitality without price
to risk without fear

they welcome you

take hold of the unknown

accept the unconditional

let go of limitation

give up the guidebook

trust what you cannot question

god welcomes you

whether you deserve it or not
whether you think you deserve it or not
all are welcome
you are welcome
they welcome you to their mystery
their depth from which all creation springs
come and swim with them

they welcome you

welcome

the father that only the son has seen
the word that no-one recognised
the spirit that intercedes without words

**they welcome you
world without end
amen**
