ORISIT THE OTHER WAS AROUND?

WHAT LIGHTS GOD UF?

COMFESSION

Merciful God

You understand our brokenness, and the pain that comes from our lives and worship being out of balance

So many times we try to set our thoughts on your goodness

And then, moments later, our minds settle back into the furrows of our own preoccupations

How we can be well thought of

How we can be vindicated at work or on Facebook

Thoughts about our own private empire of self.

Lord have mercy

Lord have mercy

So many times, we have used our lips to worship you And then, moments later, out of our mouths comes a torrent of words to belittle and to destroy.

Christ have mercy

Christ have mercy

So many times we sing and pray about your lordship Your kingdom come on earth as in heaven

And then we set about dividing heaven and earth again with so many of the simple choices we make.

How we consume, how we prioritise: your kingdom and ours

Lord have mercy

Lord have mercy

The Lord is here

His Spirit is with us

Lift up your hearts

We lift them to the Lord

Let us give thanks to the Lord our God

It is right to give Him thanks and praise

Holy holy lord
God of power and might
Heaven and earth are full of your glory
Hosanna in the highest

Christ has died
Christ is risen
Christ will come again
