LAJKONI

Holy Spirit:

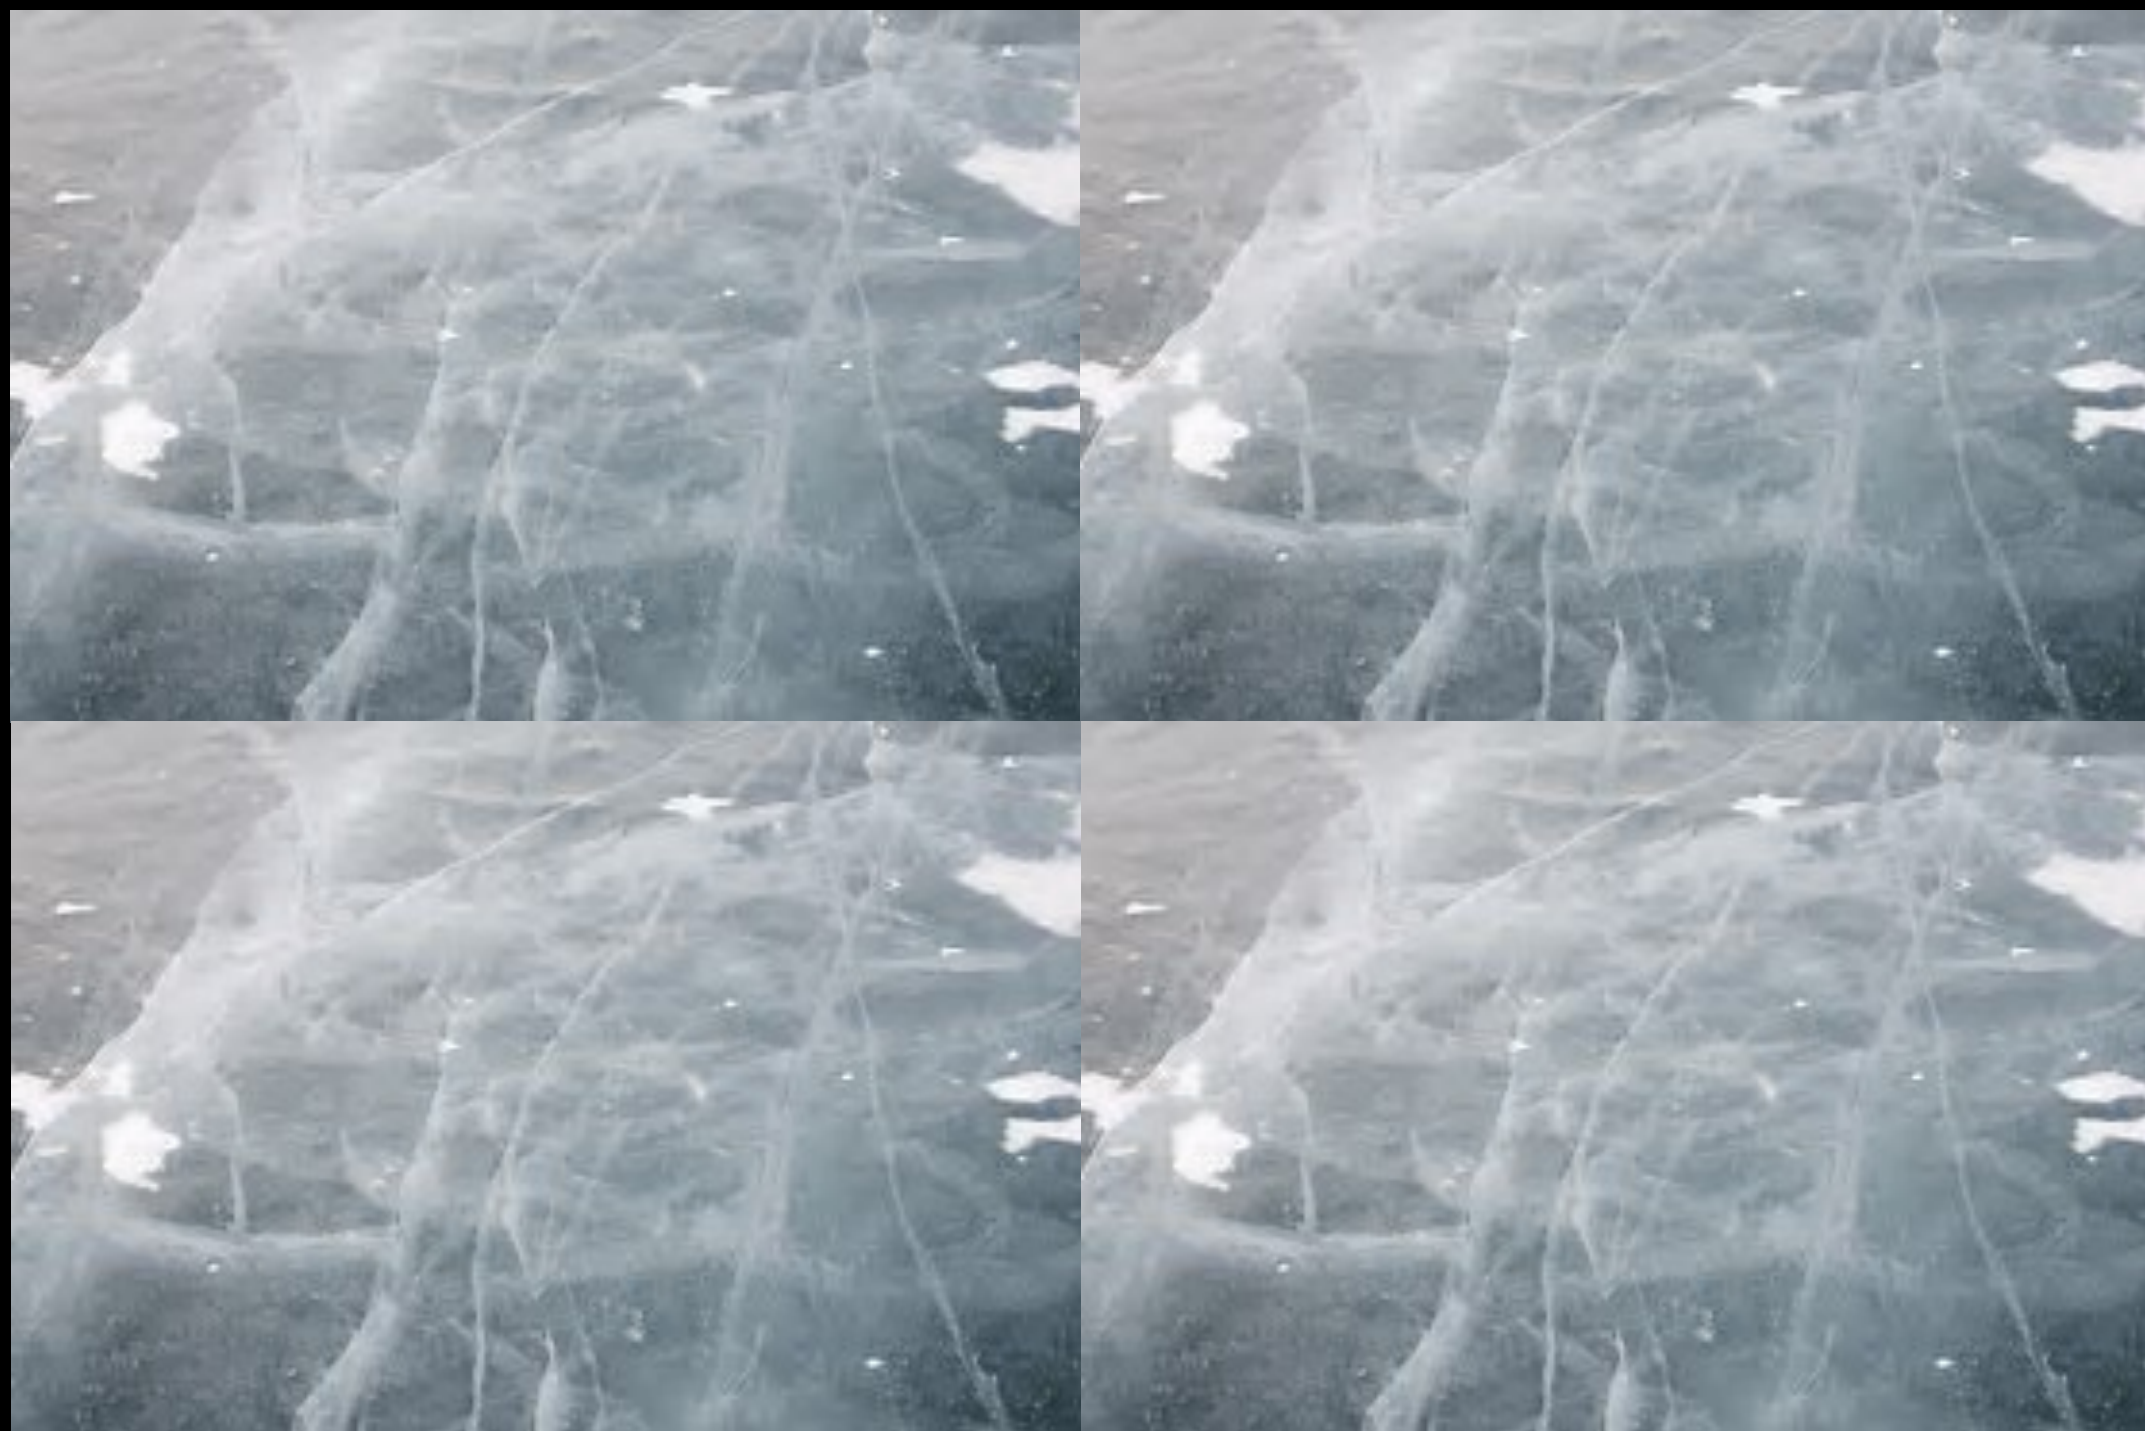

Guide our contemplation  
and lead us closer to you

**Amen**

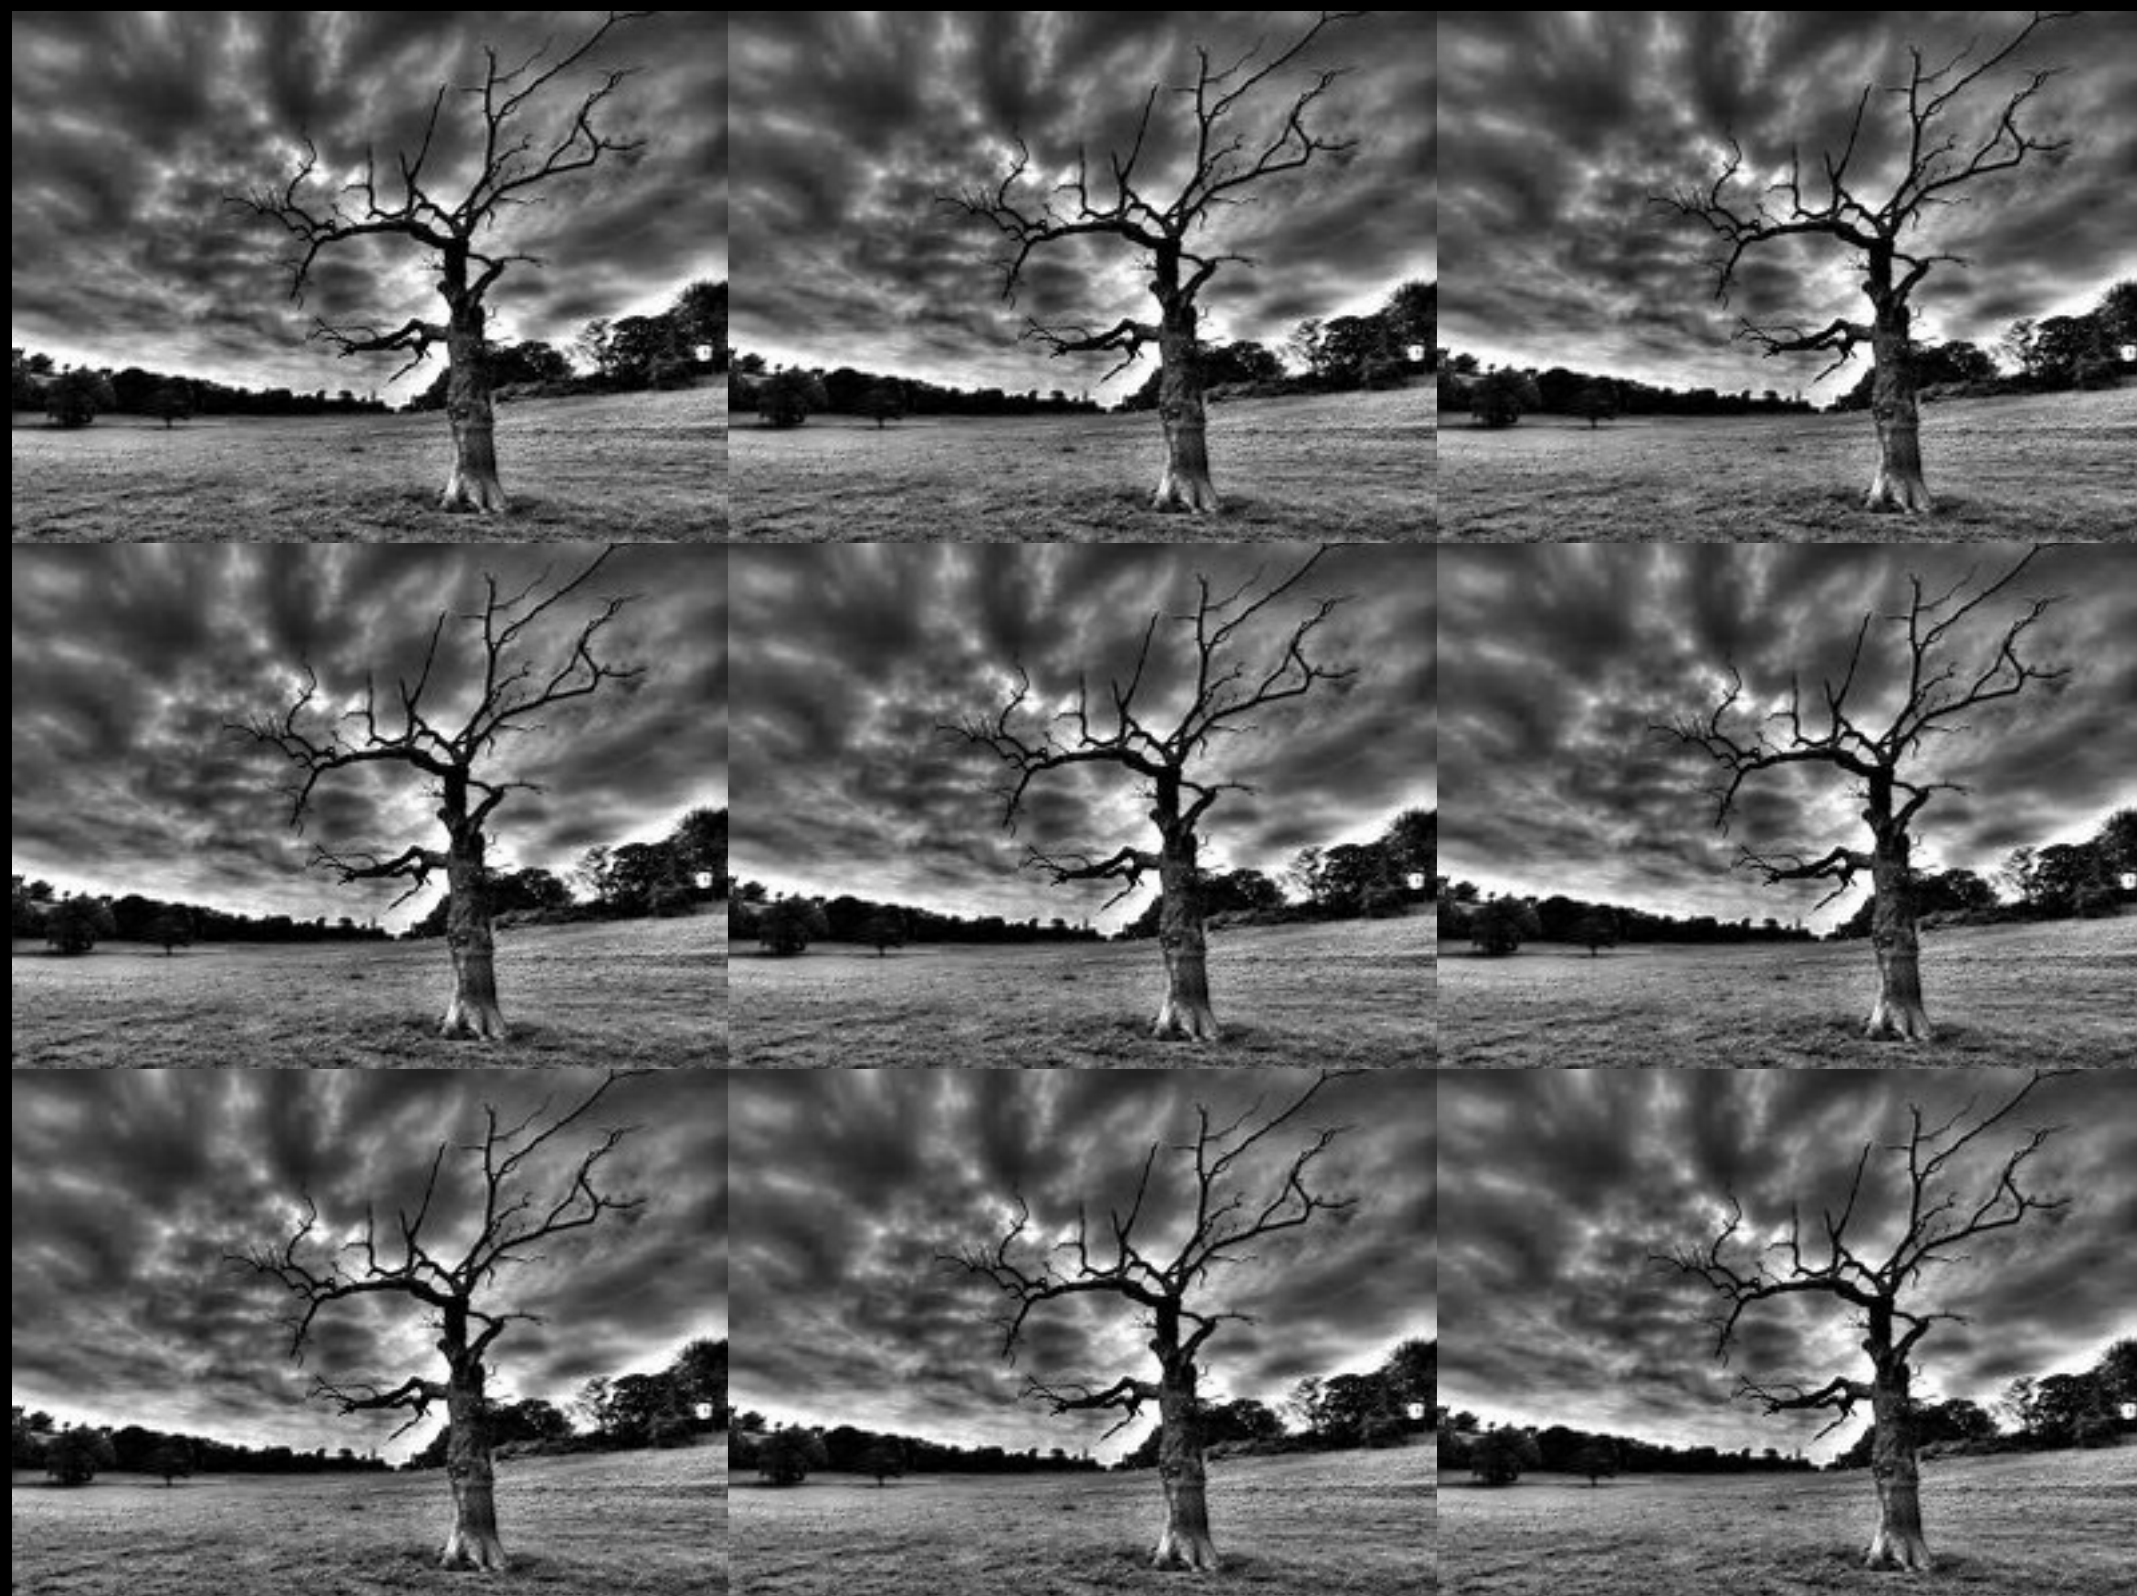

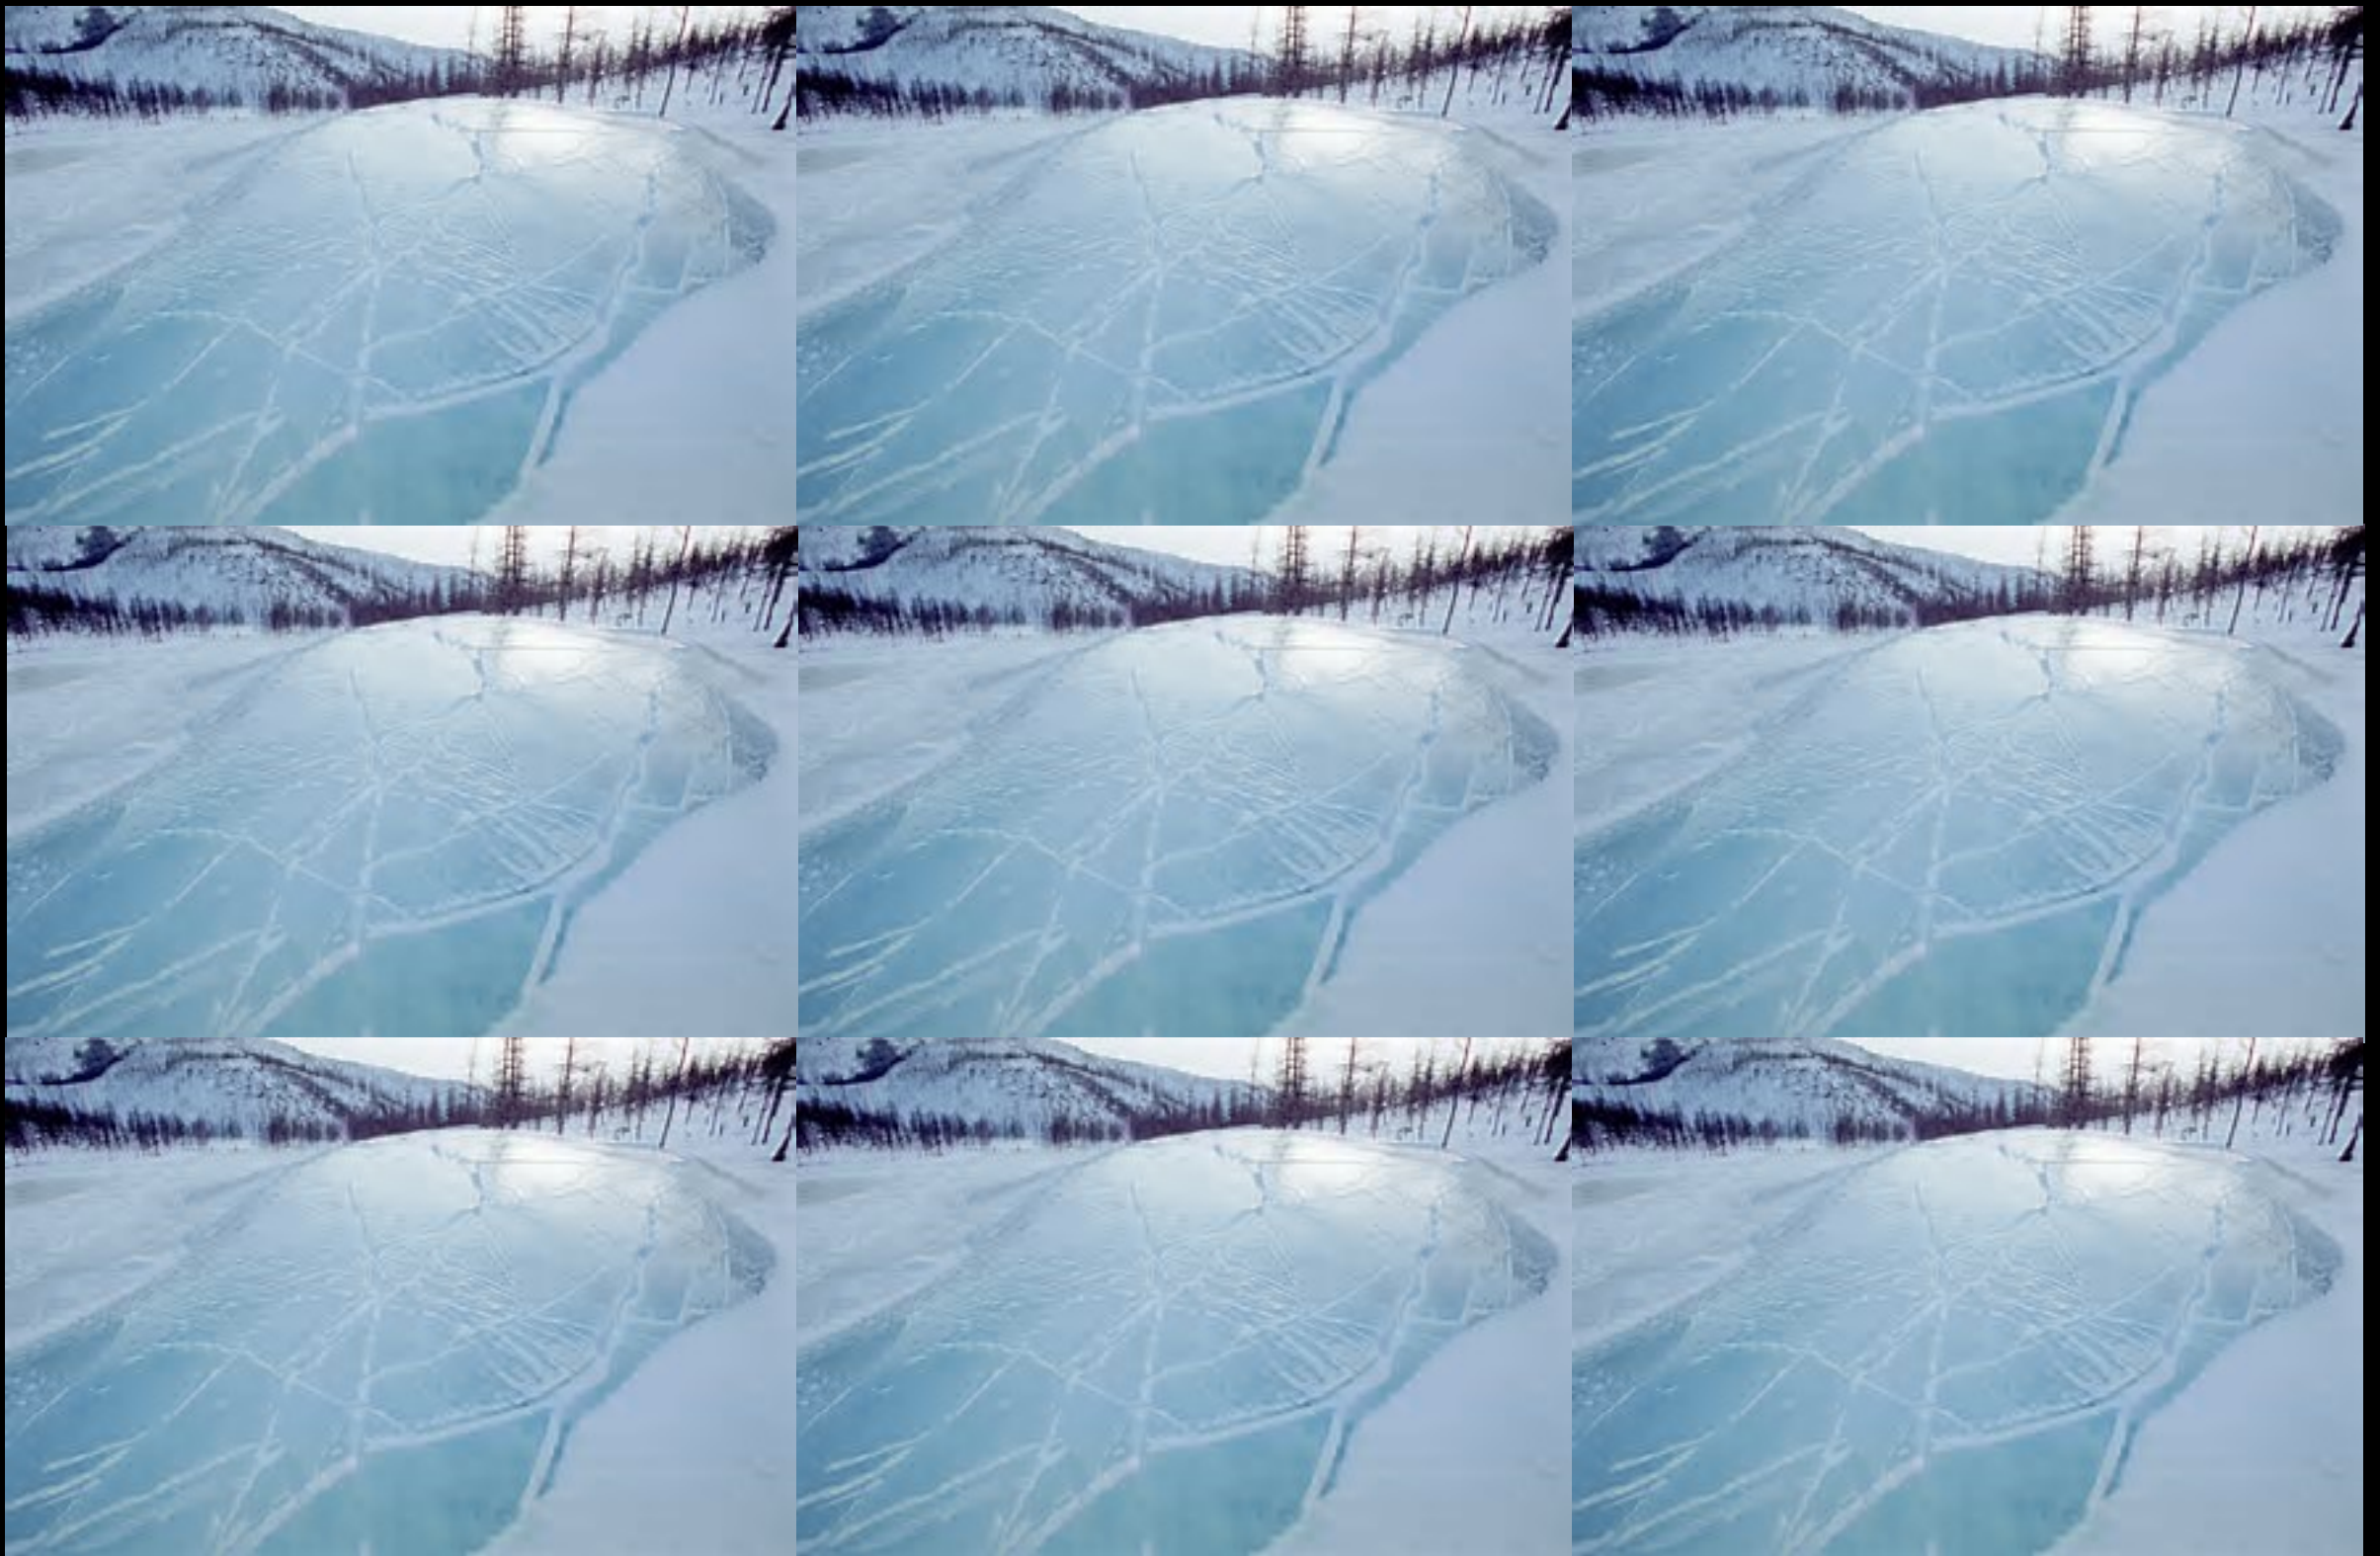

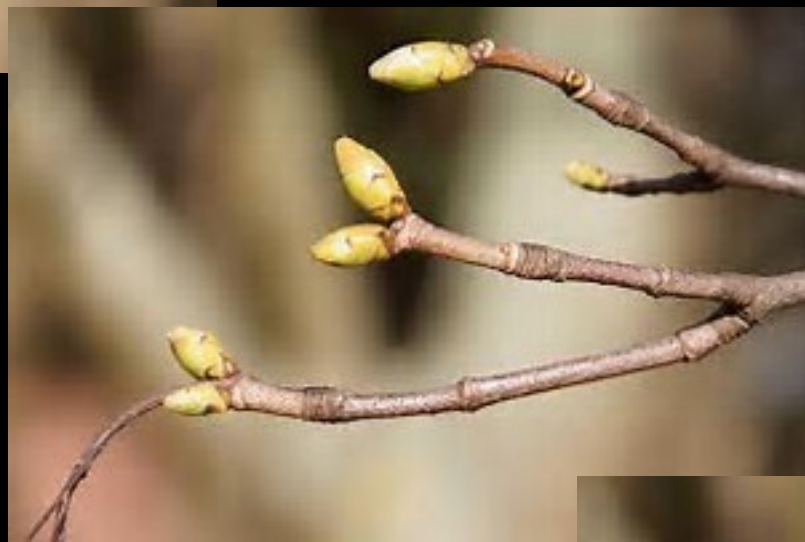

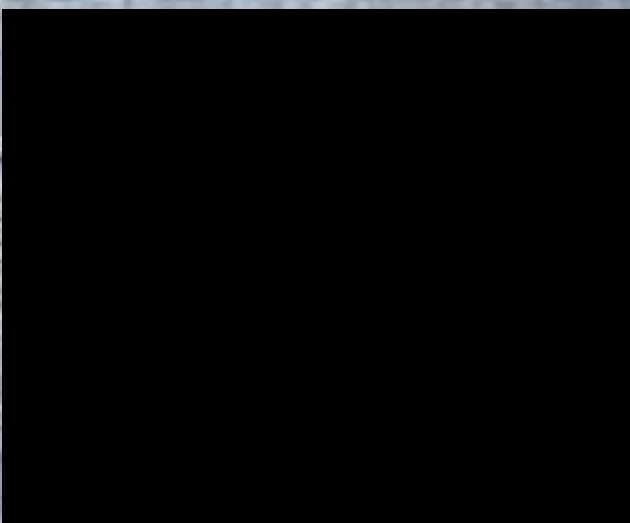

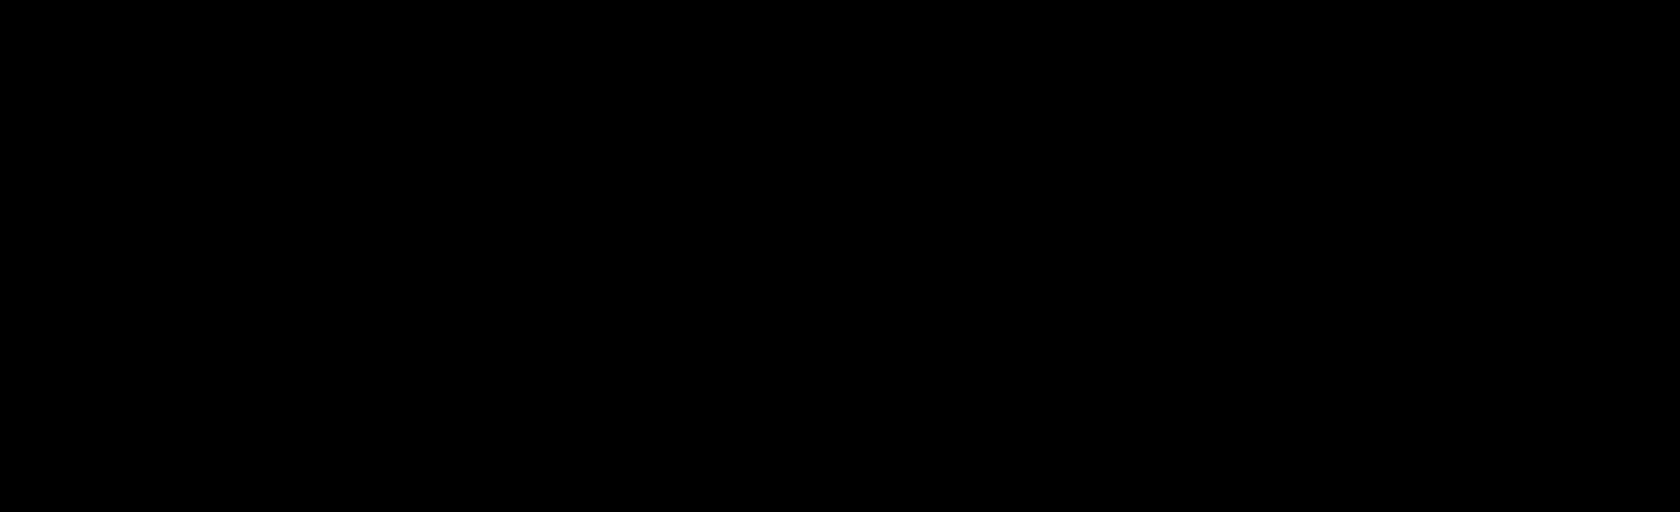

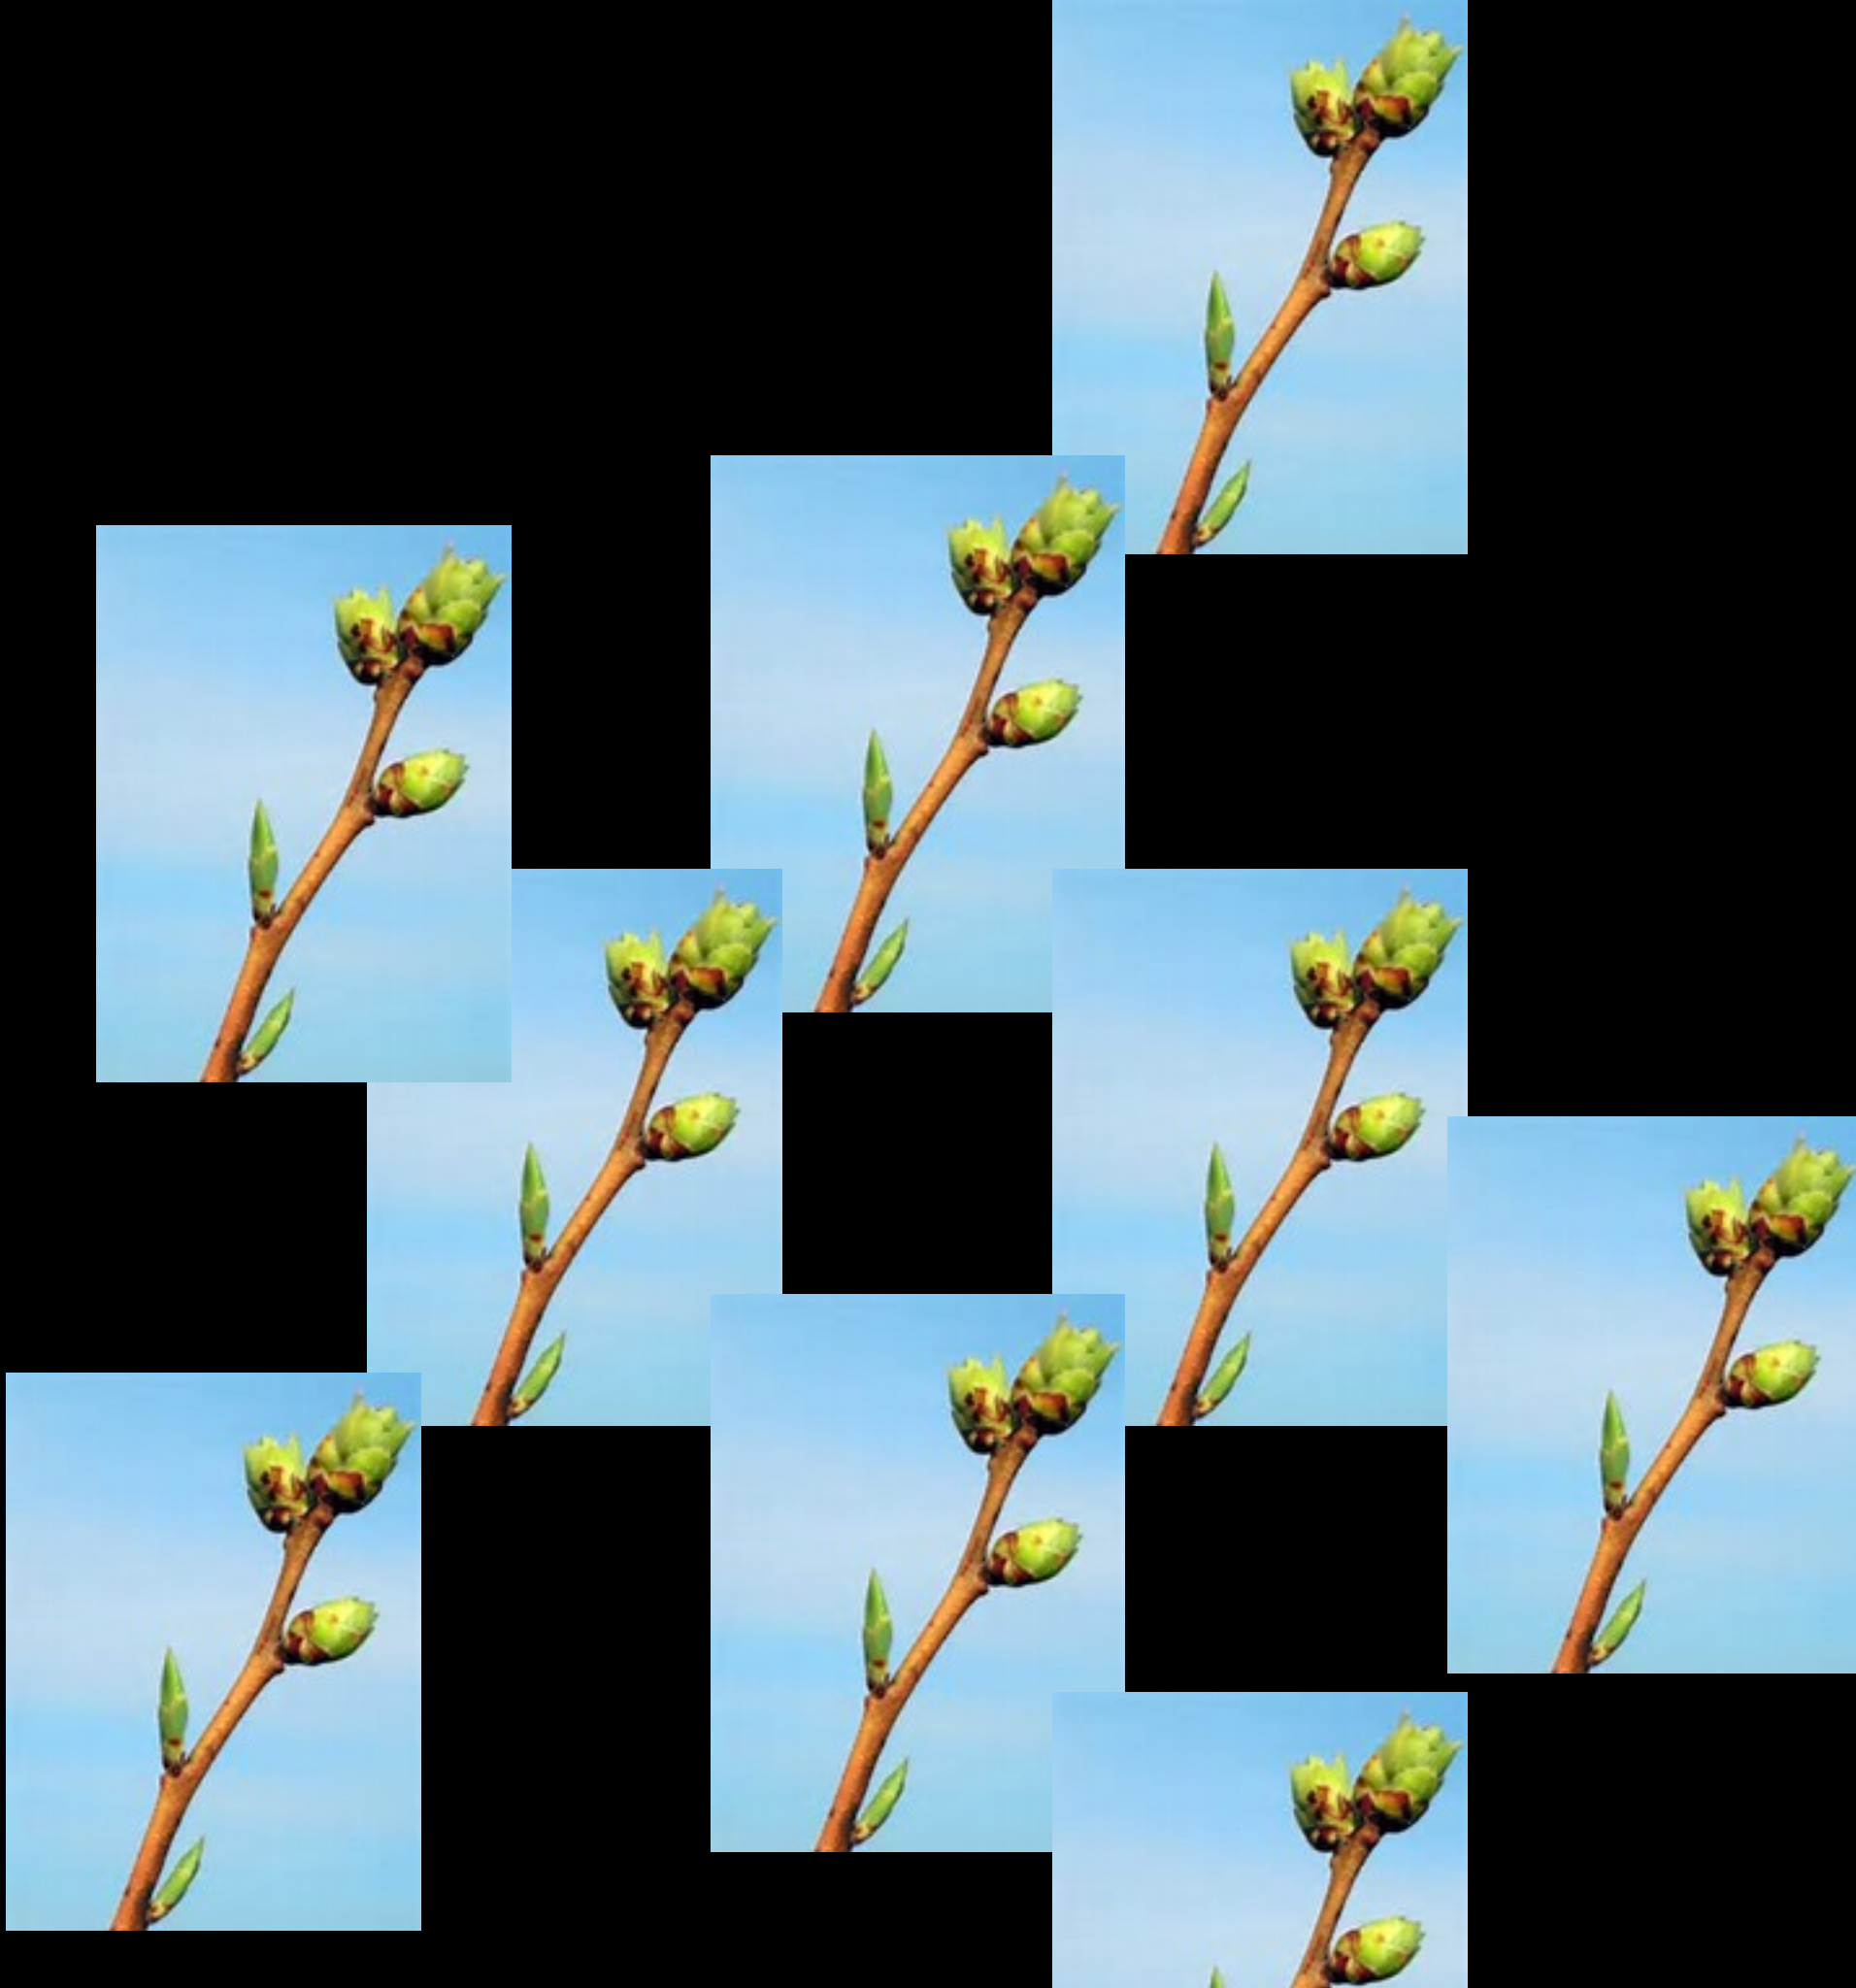

Jesus,

Thank you that you are always more ready to meet us  
**than we are willing to come face-to-face with you**

This Christmas, help us to grasp the depth of your love  
**for us and for all Creation**

Send us out to love others  
**in your name**

**Amen**

Thank you for coming to Grace

You are welcome to join us in the cafe  
for mulled wine and mince pies
