

A prayer of thanks

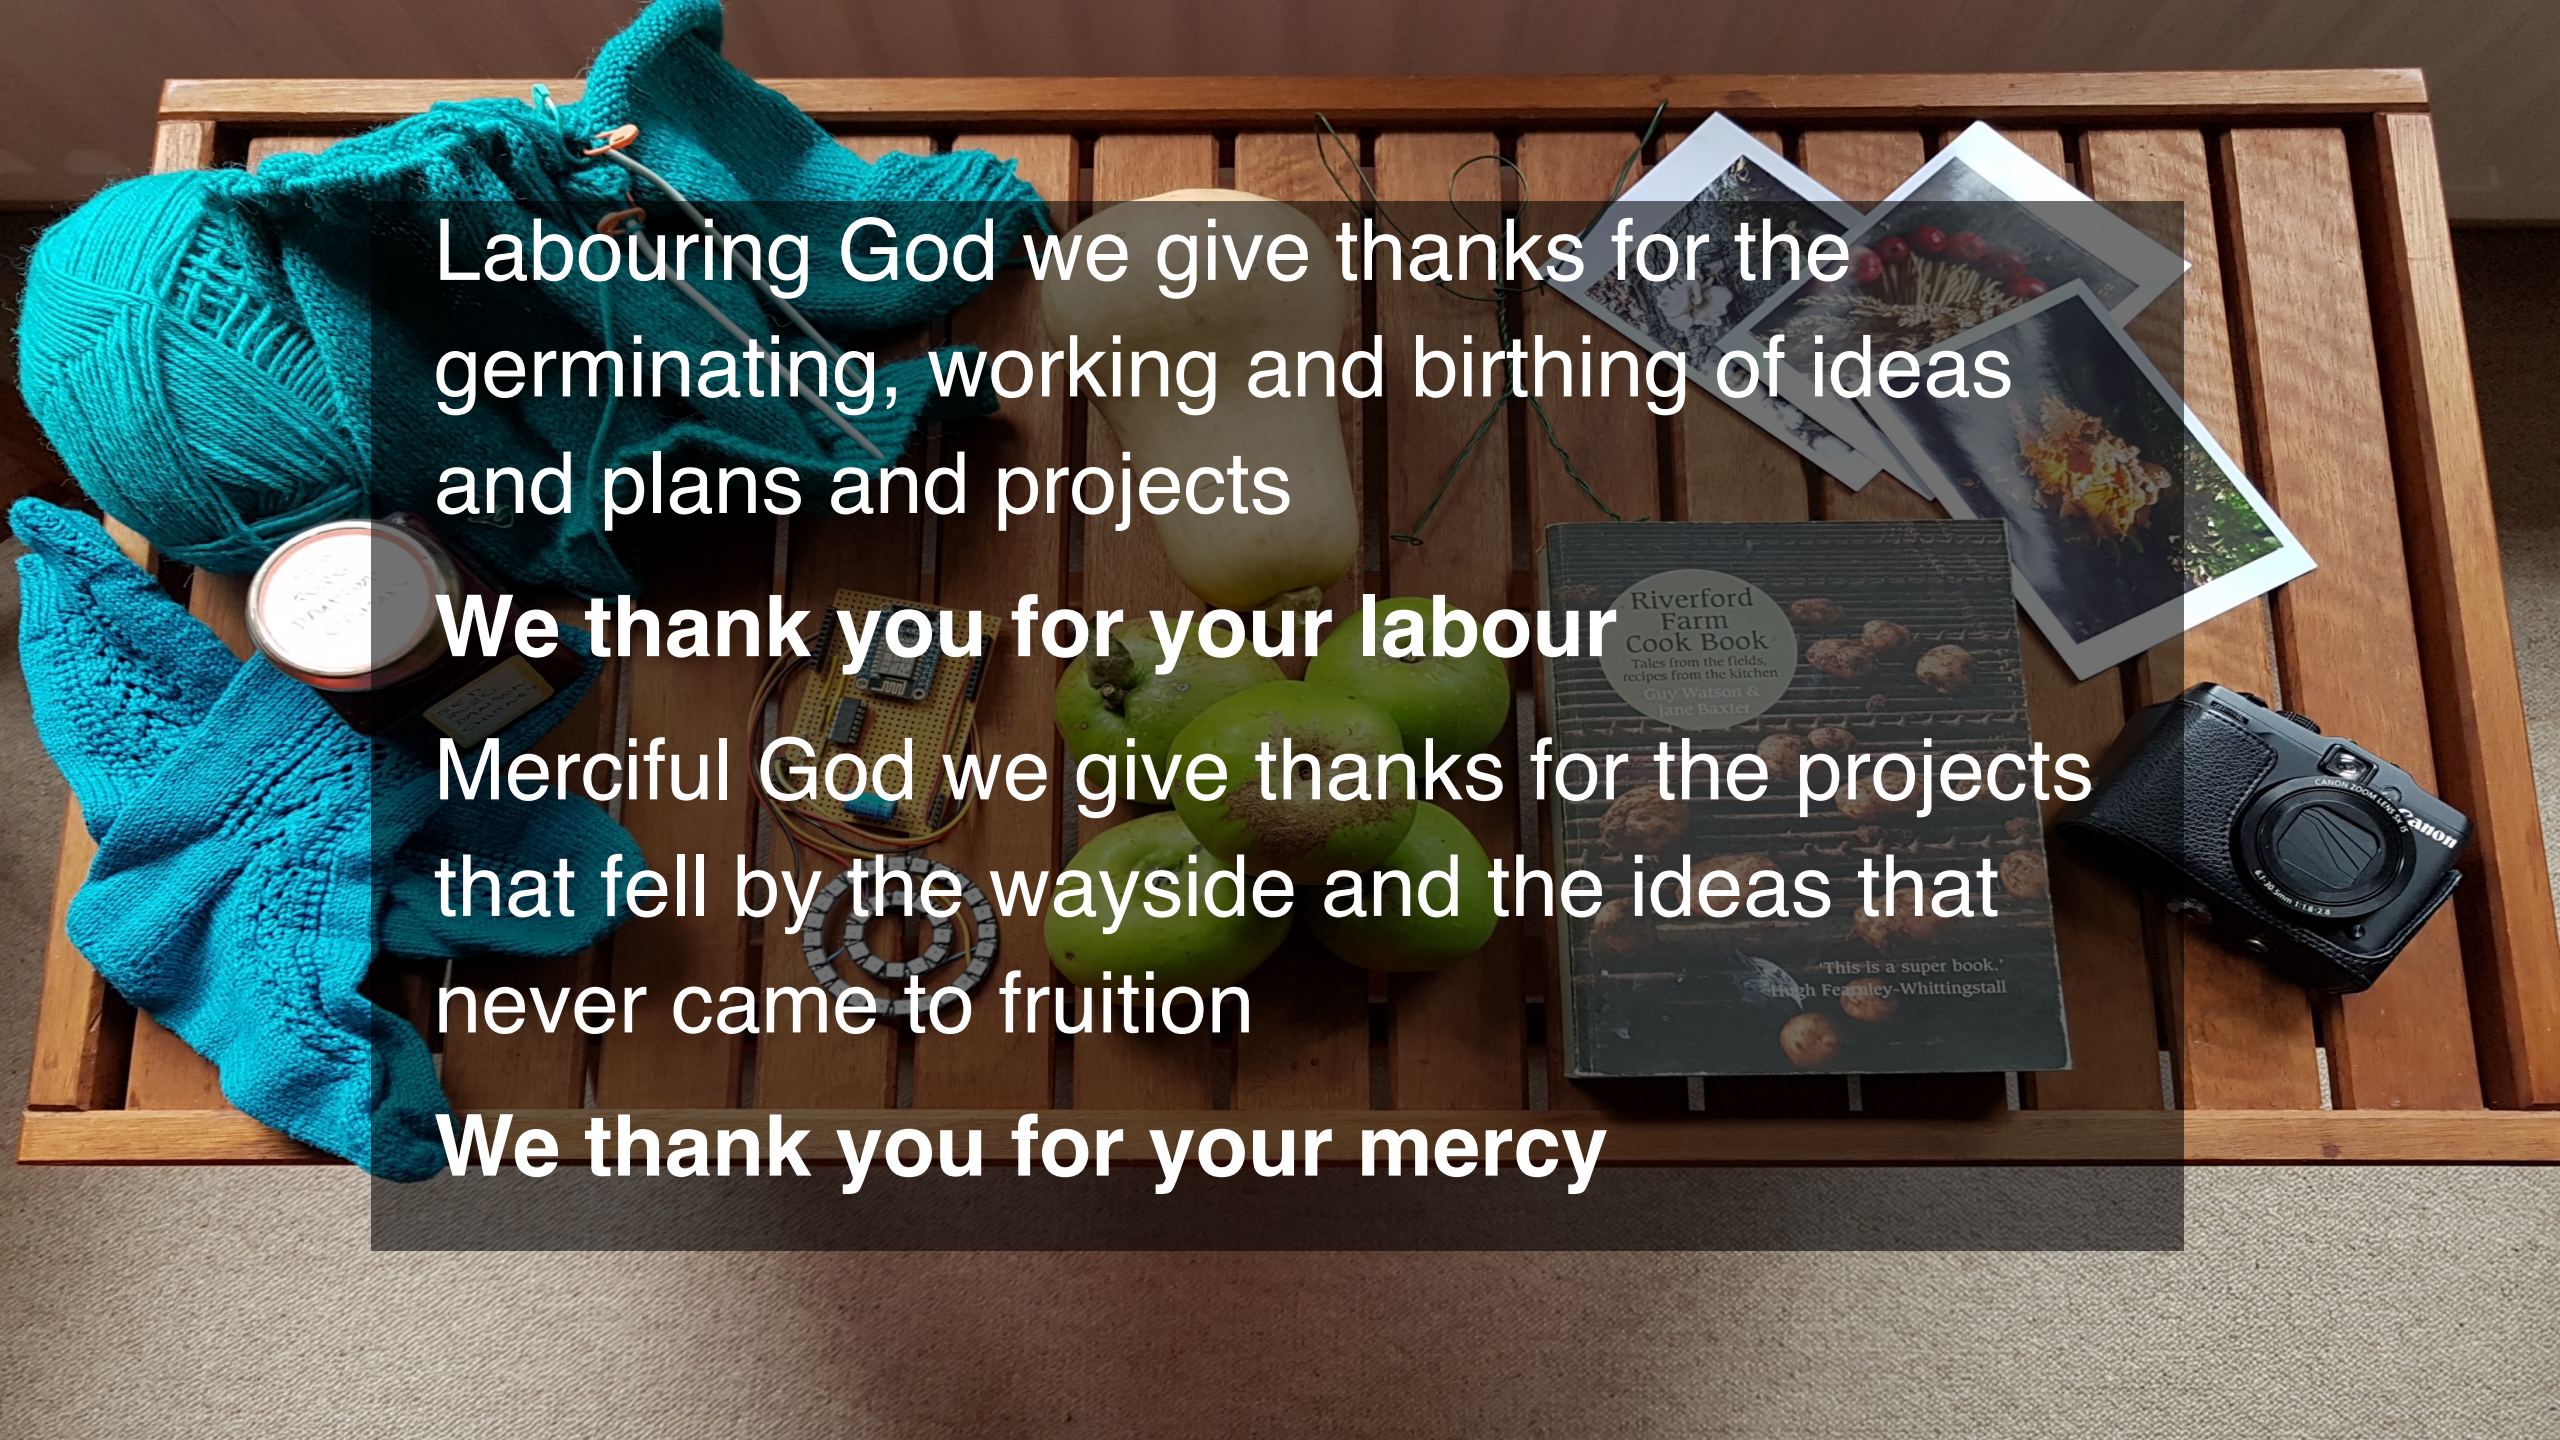

Generous God you made us in your image to be creators and makers

We thank you for your generosity

Inspiring God we give thanks for all the dreaming, imagining and inventing that bring us new ways of seeing

We thank you for your inspiration

Labouring God we give thanks for the
germinating, working and birthing of ideas
and plans and projects

We thank you for your labour

Merciful God we give thanks for the projects
that fell by the wayside and the ideas that
never came to fruition

We thank you for your mercy

Loving God we give thanks for the pleasures and pains of creation

We thank you for your love

Creator God we give thanks for the satisfaction of completion, of work finished and new projects waiting to start.

We thank you for sharing your creativity with us

We give to God and each other the first fruits of our imagination, our hands and our hearts with all their beauty and their imperfections.

We celebrate the labour of creation

Amen
