advent

passive
waiting

?

advent

advent

creative expectancy!

how do we wait in **creative**
expectancy?!?

look for hope
away from established power

where are some surprising
places you find hope?

nourish the
hidden roots of joy

what are some roots of
joy in your life?

look for clues
that are subtle as smoke

what subtle

clues of

goodness do you see?

follow the smoke
to the fire of god's presence
